European "Swimming Pool Oscars" 2020 have been announced

The winners of the European swimming pool prize EUSA AWARD 2020 have been announced.

The prize for the swimming pool sector has been awarded annually since 2013 by the European Union of Swimming Pool and Spa Associations (EUSA) in cooperation with the national pool federations from Europe for the most beautiful private used swimming pools. In total, a bronze, silver and gold winner will be announced in the following seven categories: Domestic Indoor Pools, Domestic Outdoor Pools, Domestic Pools with an Enclosure, Domestic Pools with an Automatic Cover, Domestic Pools by night, Domestic Spas and Domestic Hot Tubs.

In the competition 2020 181 pools from 11 countries participated: Austria, Belgium, Germany, Great Britain, Greece, France, Italy, Portugal, Spain, Switzerland, Turkey. The special thing about the EUSA Award: It is a competition in which "the best of the best" are chosen, because usually the national associations send the winners of their national swimming pool prizes or pre-selection into the EUSA Award.
